1/100 ARCHITECTURAL MODEL ACCESSORIES SERIES No.20 Food Stall

Good news for design office staff who pull off all-nighters!! Food Stall, the 20th installment of the pre-cut Architectural Model Series has arrived. Simply detach and assemble. Eating hot ramen noodles and stewed oden at street stalls snuggled shoulder to shoulder in the evening breeze is a heavenly pleasure. That scene has been shrunk to 1/100 scale in these models. Well, everything tastes good when you're drunk, doesn't it?! The simple modeling which omits fine details is highly versatile and accentuates the sense of scale.
